

OPENING CONFERENCE

“INDUSTRIAL 3D-PRINTING: CHALLENGES AND OPPORTUNITIES IN THE IPA AREA “

Date: 2nd July 2024

Venue: Via Amendola n. 126/b Bari - Sala Videoconferenze Rettorato
Polytechnic University of Bari

Programme

08:45 – 09:30 Registration of participants

Opening

09:30 – 09:35 Welcome

Eva Milella
President of IMAST

09:35– 09:45 IPA South Adriatic Programme

Aurora Maria Losacco
Project Officer - Joint Secretariat

09:45 - 10:15

The European strategy on additive manufacturing:
correlation between the AMICO project results
capitalization and AMTECH objectives

Marco Barile
Cluster Manager - IMAST

Results of the “Additive Manufacturing and process automation for hybrid and Composite materials” AMICO project to capitalize

10:15 – 10:45 In Defence Sector

Daniela Di Martino
Radome R&D Manager - MBDA SpA

10:45 – 11:15 In Aeronautical Sector

Nicola Gallo
Lead R&D Engineer - Leonardo SpA

11:15 – 11:30 Coffe Break

11:30 – 12:00 In Automotive Sector

Vito Guido Lambertini
*South Europe Material Manager -
Stellantis NV*
Jacopo Tirillò
*Full Professor - University of Roma
La Sapienza*

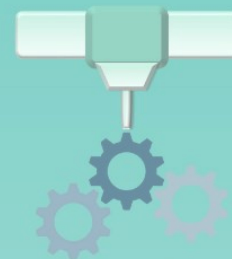

12:00 – 12:30 In Pharmaceutical and Biomedical Sector

Alfredo Ronca
Researcher IPCB - CNR

12:30 – 12:45 Questions & Answers

Marco Barile
Cluster Manager - IMAST

**12:45- 13:45** *Light Lunch***Outlook on the integration of Additive Manufacturing technologies in Regional policies**

13:45 – 14:15	Additive manufacturing: innovation and technology intangible value in the Apulian digital transformation ecosystem	Gaetano Grasso <i>Head of OI Monitoring Office - InnovaPuglia</i>
14:15 – 14:45	The Integration of additive manufacturing technologies in Albania	Anila Lazri <i>General secretary - Pro-Eksport Albania</i>
14:45 – 15:15	Additive manufacturing in regional strategy of Molise	Fabrizio Spallone <i>Sviluppo Italia Molise</i>

Overview on the Additive Manufacturing technologies and potential applications also in traditional sectors

15:15 – 15:45	Level of development and use of Additive technologies in the Apulia Mechanical industry	Cesare Pierpaolo De Palma <i>Confindustria Puglia</i>
15:45 – 16:15	The potential of additive technologies for the product development and support of IECTHP Techlab to Montenegrin innovation community	Mr Tihomir Ćuzović <i>Manager of IEC Tehnopolis TechLab</i>
16:15 – 16:45	Enhancing SMEs Competitiveness in Additive Manufacturing: main challenges and opportunities	Gianluca Percoco <i>Full Professor - Polytechnic University of Bari</i>
16:45 – 17:15	Applications of different additive technologies (3D printing) in various fields: from industrial to traditional sectors	Alessandro Manzo <i>CEO - 3DNA Srl</i>
17:15 – 17:30	Questions & Answers	Marco Barile <i>Cluster Manager - IMAST</i>

Closing

17:30 – 17:40	Closing remarks	Eva Milella <i>President of IMAST</i>
